

Math Facts Fluency Practice Instructions

Print out the Math Facts Fluency Practice sheets.
There are 5 sets of 2 pages each for a total of 10 pages.

For each set of 2 pages, start a timer with 3 minutes and have the student do as many problems as they can before time runs out.

Count the total number of correct answers.

Grade Equivalent Scoring Table:

Number Correct	Grade Equivalent
9	K
17	1
31	2
42	3
53	4
64	5
75	6
84	7
93	8
100	9
106	10
108	11
110	12

These sheets randomly select 160 problems out of a possible 280 problems.

- Row 1 is addition and subtraction up to the number 4
- Row 2 also includes addition and subtraction up to the number 6
